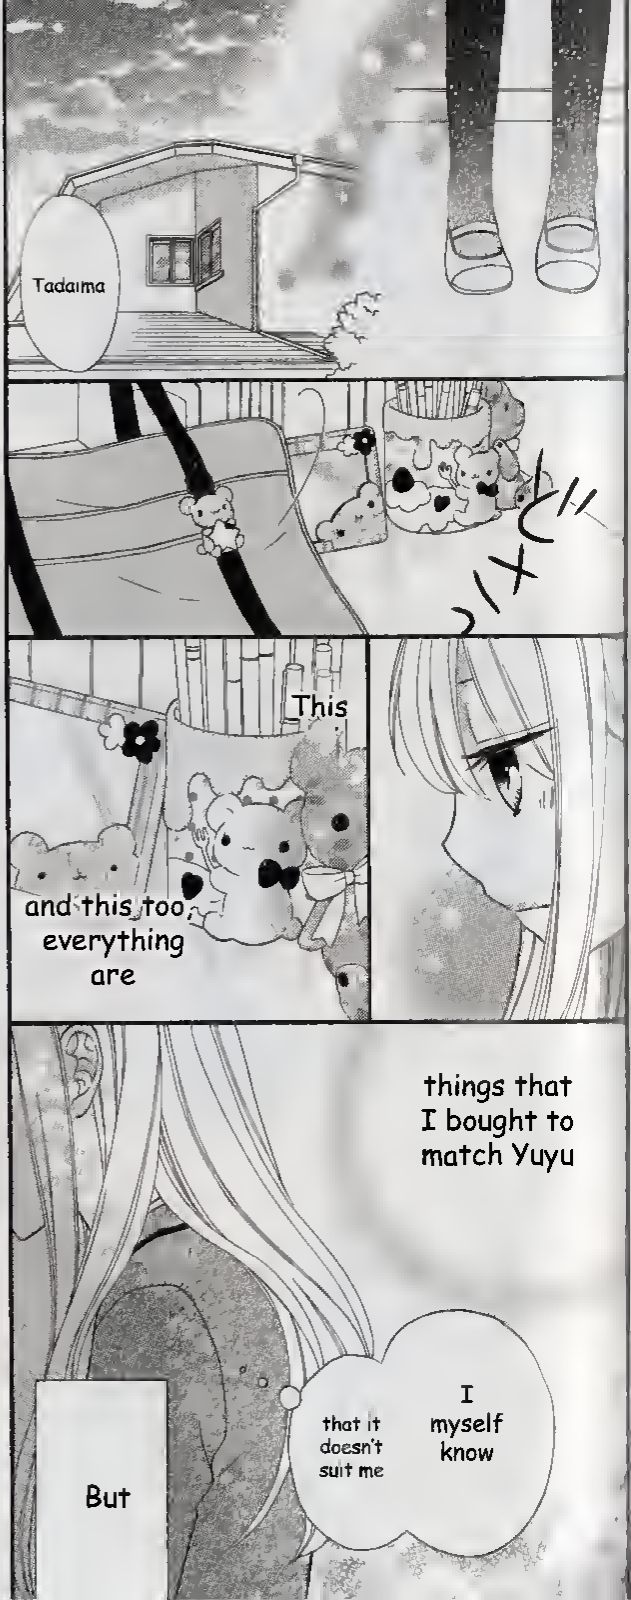
「なないろ革命」

前作の「うそつき姫」に続いて、今回も友情連載です！

自分史上最もシリアスな展開も毎話更新していてドキドキしてます～ﾆﾔﾆﾔ

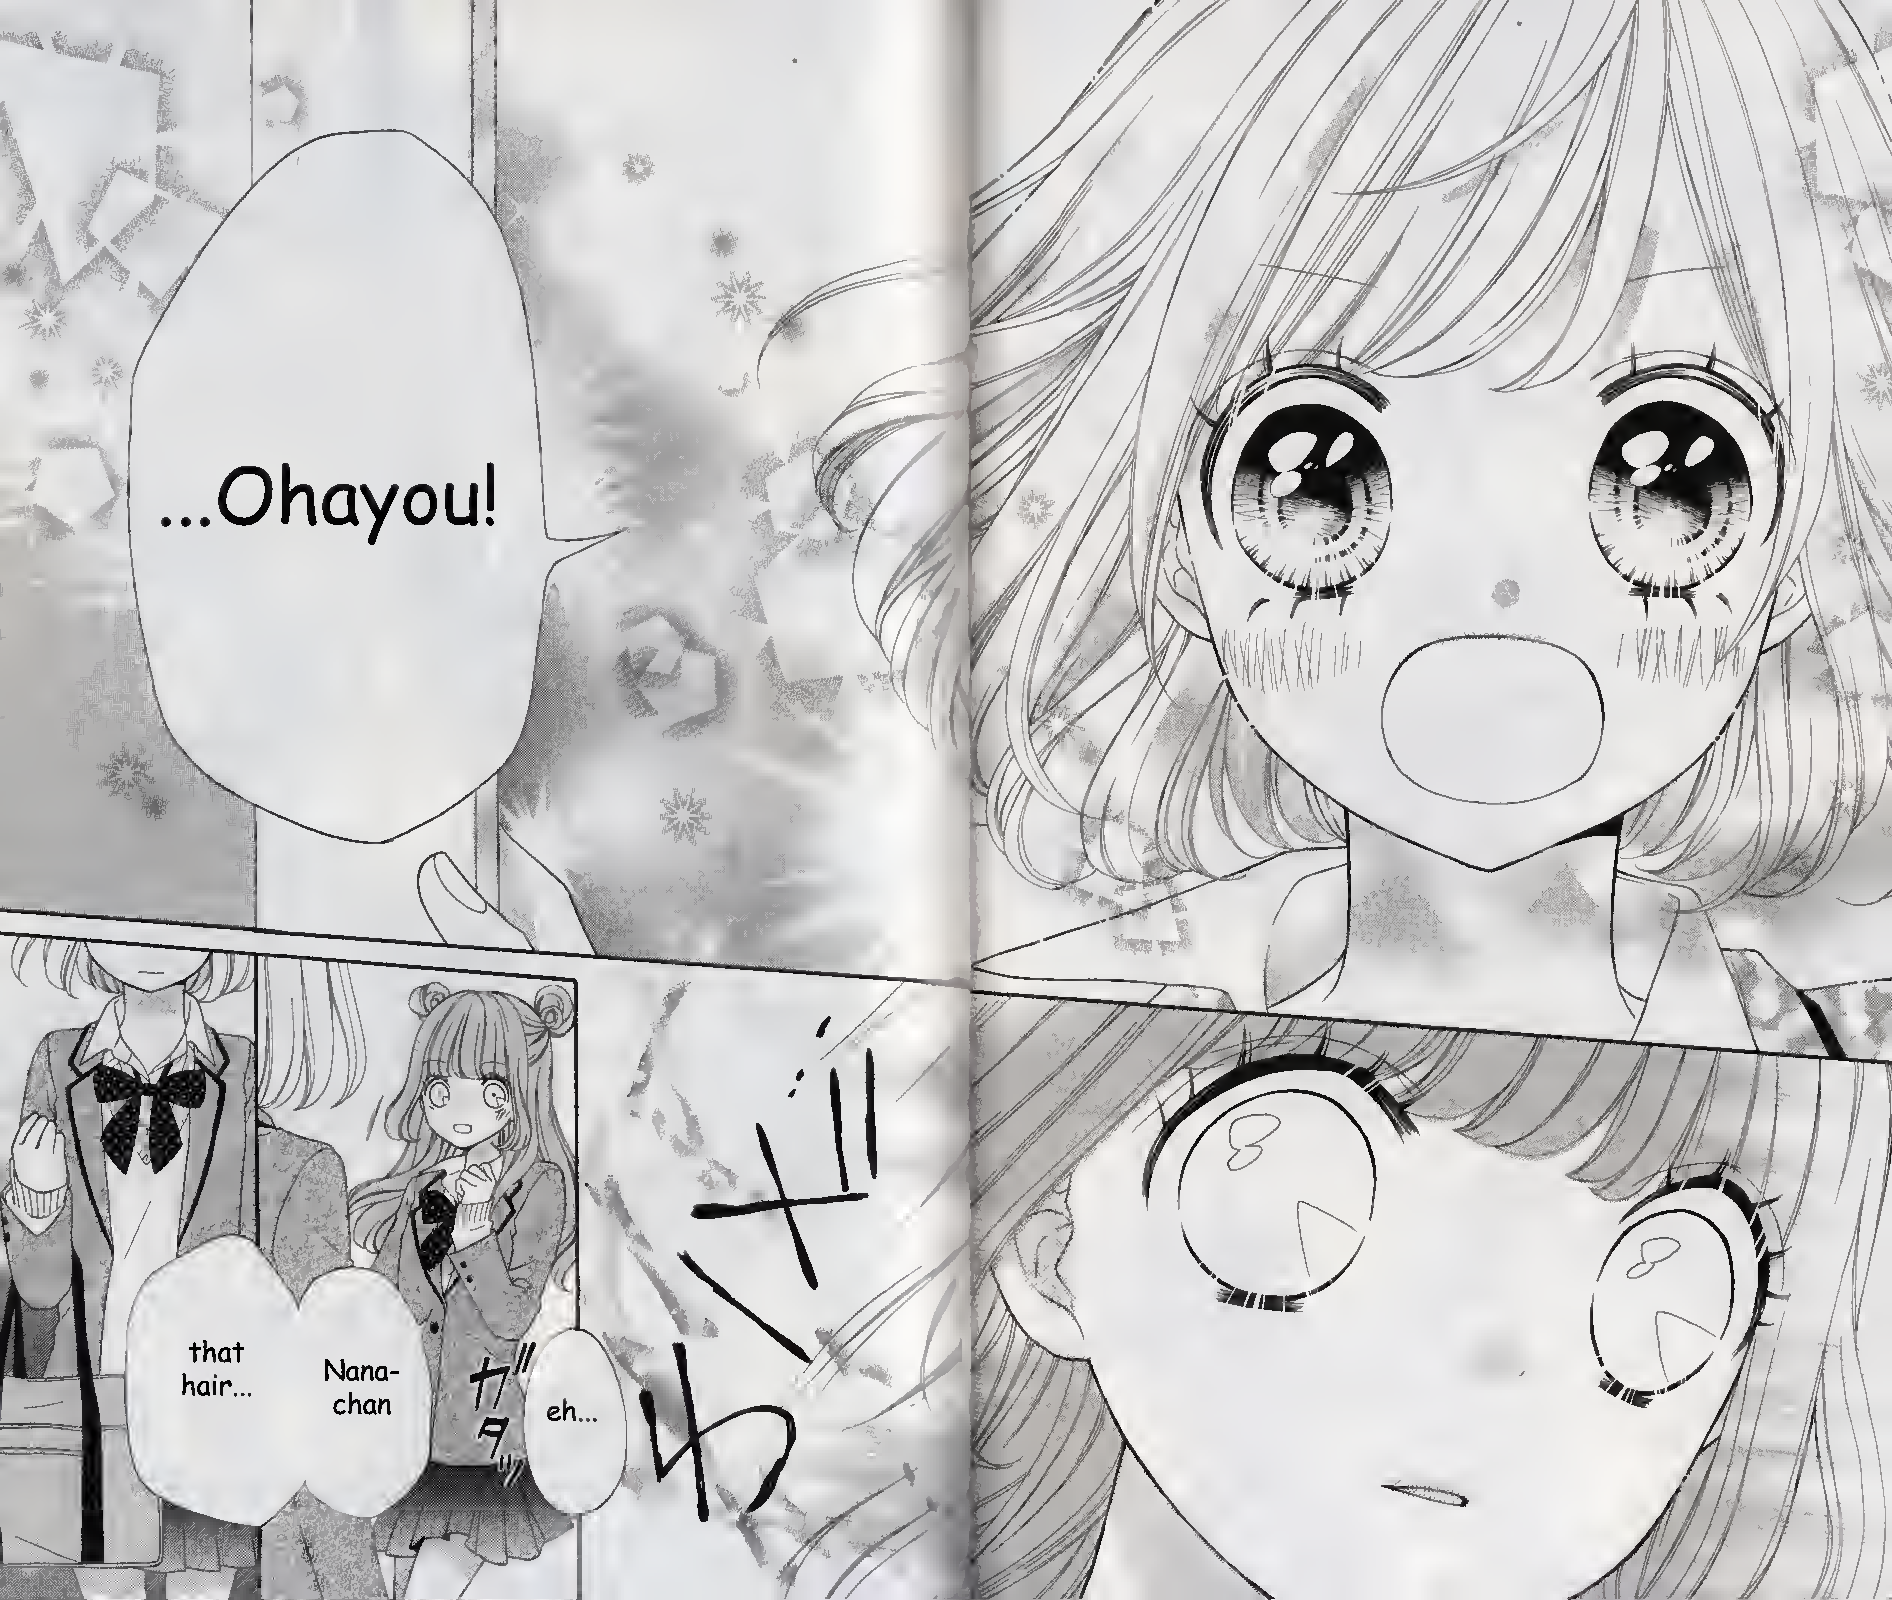
でも人の内面が見えるのって悩んでる時かなって思うので、奈菜が悩んでもがく姿は描いてて楽しいです…ﾌﾌﾌ♪

あと柄かわいい女子も描くのすきなので、ゆゆはお気に入りです。



I kept making excuses
and lost myself in the flow
I myself didn't chose
what I really wanted to do

I don't want to keep be my weak-self anymore
Oha-you~
Are?
JUST NOW
1 - 3
Yesterday, we didn't find Kuriyamo-son
I wander if she was going home first~
right~



...Ohayou!
that hair...
Nana-chan
eh...

Yuyu
I like my hair short
to be honest
I... don't want to enter it
tennis club
I like pink too
color

I
won't listen to Yuyu's request anymore...!
I've been holding myself
all of this time

That
what do you mean?
I don't want
キャッ
...hee
to lie to myself anymore

I am going to choose my place myself
even if that means I have to be alone

CREDITS
I really love reading manga online
"Kojima-son?"
"Yeah, better use our money to buy sweets"
and hangs out in starbucks
"It's free, so I don't need to buy the manga that I love"
"Let's just pray
thot those b*tches hard work will never get apreciated by onyone in their whole live"
"Don't cry, Nana-chan"
